

Keep your Dog Healthy for Less

PAWSITIVELY devoted to your best friend!

Why does your dog need a HealthCare Plan?

Regular preventive care can improve the quality of life for your dog and ensure maximum health. Recommended vaccinations will help keep your dog healthy based on their breed, lifestyle and other important factors.

Frequent exams and diagnostic testing are crucial to finding problems unseen with the naked eye. Prevention is key for a lifetime of good health! Our Canine HealthCare Plans make it easy to manage these costs - providing budget friendly monthly payments and a savings of over \$300!
